## COMMUNITY CORNER

### Volunteer Time Off

ALCIVIA strongly believes that it is our responsibility to help enrich the local communities where we live, work, and play. We encourage our employees to become involved in their communities, lending their voluntary support to programs that positively impact the quality of life within these communities. Each employee is given 16 Volunteer Time Off (VTO) hours during the year. In the first 7 months of the fiscal year, ALCIVIA employees have used these hours to donate blood, deliver Meals on Wheels, provide farm tours at Focus on the Farm, sort food at Second Harvest, and contribute to many other worthy causes.

Mission: Advancing our customers through innovative and responsible solutions.
