

# ALCIVIA ADVISOR

MONTHLY NEWSLETTER - AUGUST 2022

## FAIR PARTICIPATION PROGRAM

ALCIVIA is committed to supporting the communities that we serve and generating a positive impact on our youth. In place of the animal auctions, ALCIVIA is expanding our fair participation program to continue supporting youth that exhibit livestock at the local fairs.

Any member's child(ren) who exhibits livestock at a local fair is eligible to receive a \$100 award by filling out the form and submitting a picture of their project at [ALCIVIA.com/fairparticipation](https://www.alcivia.com/fairparticipation). This approach benefits every child that shows an animal and rewards them for their hard work and efforts.

Scan QR code to submit  
or visit [ALCIVIA.com/fairparticipation](https://www.alcivia.com/fairparticipation).

## COMMUNITY CORNER

### Promoting a 'Safety First' Culture

ALCIVIA prides itself on fostering a safe working environment that expands into the communities we serve. Ongoing efforts will be made to support local safety organizations such as police, fire departments, EMS responders and others to keep our communities safe.

In 2022, we are proud to share that we have provided financial support to first responders in communities across our entire trade territory, including Buffalo County, Cottage Grove, Durand, Evansville, Monona, Osseo, Pepin, Pigeon Falls, and Strum. The total donated to these groups reached more than \$15,000 and supported projects like new jaws of life equipment and a CPR mannequin.

ALCIVIA supports the sustainable development of the communities and families we service, with programs designed to foster agricultural leadership, education, safety, and ending hunger.

or visit [ALCIVIA.com/givingback](https://www.alcivia.com/givingback).

## HER FARM NETWORK

### Her Farm Network Network Hosts Annual Networking Events

We hosted two Her Farm Networking events this summer in Waunakee and Menomonie. Amanda Coorough with UW Extension presented on how to connect with our positive emotions to cope with and prevent stress. Amanda is a licensed mental health professional and led informative and engaging discussions. A huge thank you to Amanda and all those who attended!

We started the Her Farm Network program back in 2019. This program is an opportunity for women in agriculture to get off the farm for a night and network with other women in agriculture while creating friendships and learning relevant topics related to agriculture. We hold 2-3 events each year.

Scan QR code for more information  
or visit [ALCIVIA.com/herfarmnetwork](https://www.alcivia.com/herfarmnetwork).

Mission: Advancing our customers through innovative and responsible solutions.

# PLASTICS & INOCULANTS

## Protecting Your Forage Investment

There are many factors involved in protecting your forage investment:

1. Crop health
2. Maturity at harvest
3. Moisture of crop
4. Length of chop
5. **Bacterial inoculant**
6. Filling rate
7. Packing density
8. **Quality covering**
9. Feed-out rate

ALCIVIA can provide bacterial inoculants and quality covering!  
Ask your local ALCIVIA representative or call us at **800.236.3276 x4**  
to learn more about our plastics and inoculants.

## SAVE ON SUMMER FILL

Don't miss your chance to save on propane by taking advantage of our summer fill program! Summer fills are historically the lowest price of the year to fill your tank.

Now through August 31<sup>st</sup>, save

**10¢** PER GALLON

off the current market price.\*

800.236.3276 x2

\*Current market price subject to change. 250 gallon minimum fill for 500 gallon tanks. 500 gallon minimum fill for 1,000 gallon tanks.

## ALL. TOGETHER. POWERFUL.

*"The ALCIVIA app is a **convenient, easy-to-use tool** that has made managing my operation much easier. It's simple to check market prices, manage and sign my grain contracts, and look at my account statements, **saving time** and multiple phone calls. With its very clean and straightforward design, you don't need to be a technical person to navigate and efficiently use this **powerful tool**."*

*Every operation will benefit from using this app."*
