

SHOW XCELLENCE DAIRY 42 SUPP R100

FEATURE

BENEFIT

Pelleted Concentrate

Ensures consistent delivery of essential nutrients

Combination Protein Sources

High by-pass protein and balanced amino acids to support optimal performance

Celmanax™

Helps prepare the immune system ahead of a challenge so animals can respond when challenges occur

Support optimal rumen fermentation and digestion

Maintain performance even when heat and humidity rise

Flaxseed

Quality source of Omega 3 and Omega 6 fatty acids which aid in immune function, fertility, and stimulate skin and hair growth

Availa® Plus

Combination of complexed zinc, manganese, copper and cobalt, plus potassium iodide

A healthy animal will have good claw/hoof integrity, reproduction/fertility rates, milk quality, average daily gain, feed efficiency/conversion

Sel-Plex®

Organic Selenium source

Supports metabolic processes, reproductive health and herd longevity

Acts as an antioxidant

Medicated with Rumensin® (monensin)

For the prevention of coccidiosis and improved feed efficiency

Supplement feed for growing dairy heifers.

Consult your ALCIVIA feed representative for feeding recommendations.

GUARANTEED ANALYSIS

Vitamin A (min)	22,130 IU/lb

REMINDERS

Feed is perishable and should be stored in a clean, dry, well ventilated area so that it will remain fresh and palatable.

Do not feed moldy or insect infested feed to animals as it may cause illness, abortion, or death.

Fresh, clean water should be available at all times.

SHOW XCELLENCE WINNERS

ALL. TOGETHER. PROVEN.

"ALCIVIA's Show Xcellence pellet plays an important role in getting our heifers to the winners circle. We start each year with the goal of exhibiting cattle that will receive All-American nominations. Since 2017, that has happened 15 times. Their product's have helped to keep our heifers in shape while growing at an optimal rate. Hair coat health has also been superb."
