

## SHOW XCELLENCE LAMB FLEX DX

### FEATURE

### BENEFIT

Designed with  
Flexibility in  
mind

A higher fiber, complete feed for developing ewes and maintaining  
show lambs throughout the show season

Texturized  
Formula

A complete, texturized feed with steam flaked corn to increase starch  
digestibility which helps with improved average daily gains and  
animal performance

Combination  
Protein Sources

Combination of both bypass and rumen degradable protein sources  
help meet the requirements of the animal and rumen microbes as  
well as helping increase muscle deposition

Barley

To give a smoother & firmer show look

Diamond V®

Research proven, Diamond V® has a unique ability to support ration  
digestibility, palatability, and intake by delivering a rich, all-natural  
nutrient source to the animal's digestive bacteria

Tasco®

Research has shown that Tasco® helps lower body temperature  
during heat stress – helping keep animals on feed

Zinpro®

Helps improve hoof health and immune function; critical for  
traveling show lambs

PuriFerm™

A uniquely formulated fungal enzyme ingredient containing both  
Aspergillus oryzae and Aspergillus niger

Fungal enzymes help in the digestibility of fibrous feedstuffs, thereby  
helping support growth performance

Ammonium  
Chloride

To help reduce the incidence of urinary calculi (water belly)

Medicated with  
Decox®  
(decoquinate)

For the prevention of coccidiosis

Complete feed for growing  
and maintaining lambs.

Consult your ALCIVIA feed  
representative for feeding  
recommendations.

### GUARANTEED ANALYSIS

Crude Protein (min) .....	16.2%
Crude Fat (min).....	2.5%
Crude Fiber (max).....	12.5%
Calcium(Ca) (min).....	0.5%
Calcium(Ca) (max).....	1.0%
Phosphorus(P) (min) .....	0.3%
Salt(NaCl) (min) .....	0.2%
Salt(NaCl) (max) .....	0.7%
Selenium(Se) (min) .....	0.2 ppm
Vitamin A (min) .....	1,980 IU/lb

### REMINDERS

Feed is perishable and should  
be stored in a clean, dry, well  
ventilated area so that it will remain  
fresh and palatable.

Do not feed moldy or insect  
infested feed to animals as it may  
cause illness, abortion, or death.

Fresh, clean water should be  
available at all times.
